# Ideation Phase
## Define the Problem Statements

## PS - 1

| I am | I'm trying to | But | Because | Which makes me feel |
|------|---------------|-----|---------|---------------------|
| an electrician | mount a fire detection system on the ceiling | finding difficulties in fixing it | screws and manuals were missing in the package | annoyed |

## PS - 2

| I am | I'm trying to | But | Because | Which makes me feel |
|------|---------------|-----|---------|---------------------|
| an electrician | test the fire detection system | couldn't detect fire and smoke | sensitivity of the sensor is low | incredulous |

## PS - 3

| I am | I'm trying to | But | Because | Which makes me feel |
|------|---------------|-----|---------|---------------------|
| an electrician | test the fire detection system | couldn't hear the alarm sound | the sound is not loud | frustrated |
